Week 2 of June 2017

1st Final IEB Exam Written

Our Grade 12s wrote their first final IEB examination on Wednesday 7 June. This might seem very early in the year to be writing a final exam, but it was the written component of Life Orientation course. Part B of the Life Orientation Continuous Assessment Task or CAT is an externally set examination that makes up part of their final Life Orientation assessment. The rest of their Life Orientation assessment consists of various assignments that are completed during the year for their portfolio.

Inter-house Winter Sports

This past week saw the inter-house winter sports being played. The programme started with netball on Monday 5 June which Harrier won with the juniors winning 12-4 and the seniors winning 5-1. On the hockey field the Bateleur girls won their match 2-0 while the boys drew their match 0-0. The chess competition was a very close affair with the scores ending 3 and a half to 2 and a half in favour of Bateleur House. All in all it was a fun week of inter-house competition enjoyed by all.

Wild Shots Certificates Presented

Our Wild Shots photography group received their course certificates from Mr Mike Kendrick on Tuesday 6 June. Congratulations to the group for successfully completing this excellent course.

Inter-Provincial Cross-Country

Our inter-house cross-country runners travelled all the way to Bronkhorstspuit on the Highveld to compete in an inter-provincial competition. Our athletes competed extremely well in races that fielded up to 150 runners per event. The three athletes representing SCS were Eric and Ella Gardiner and Colin Brenchley. Other than struggling with the altitude a bit all three runners said they enjoyed the opportunity to compete at this level.
