School for the Planet

Week 4 of July 2017

## Term 2 Awards Assembly

The sound of drums pulsated through the Resource Centre on Thursday morning as we ended the second term with our Awards Assembly, during which our children were recognised for their achievements and hard work throughout the term. It was wonderful to see how our children encouraged one another, even cheering when a classmate was called up. As usual the Bush Lore and General Knowledge Quiz awards created much excitement, with some surprise achievers walking away with the certificate. It was a short term, but certainly eventful and productive!

## SCS Barefoot Day

Thank you to everyone who donated a pair of shoes for the SCS Barefoot Day recently. Our Prep School children, some of the parents and even our teachers spent the day barefoot after donating the pair of shoes they had on their feet at the start of the day. It is good to know that there will be people in our community who will benefit from this collection. Well done, SCS!

### Congratulations!

#### Green Awards

The following Green Awards were presented at assembly on Friday, 28 July:

Ronan du Toit, Oliver Shoebottom, Carli de Waal, Vutisani Nkuna, Tumisho Makhubela, Katlego Morema, Carlo Dos Santos and Sophia-Louise du Preez

### Welcome Back

We welcome our Prep School children back for the start of the third term on a beautiful chilly Lowveld morning. The constant 'chatter' and huge smiles were a welcome sight for all our teachers.

We look forward to watching our youngsters enjoy another term of unique learning experiences put together by dynamic and dedicated teachers.
