School for the Planet

Week 3 of October 2017

## Junior Drummers

What a privilege it was for the Junior Drummers (Grade 2 and 3) to perform at Kambaku Lodge recently. Our excited and enthusiastic drummers performed excellently and were a sterling representation of Southern Cross Schools. Well done to all the boys and girls for an outstanding performance and also for showing perseverance and determination in the tough preparation required for opportunities such as this. A truly amazing experience!

## Mud Play

No fancy toys, no expensive electronics or latest technology required – our SCS Pre-schoolers have the best kind of fun; all they need, is just 'there'!

## The Incredible Dog Show

It was a wonderful morning, last term, for our SCS children, and visiting schools, when we gathered to watch Lloyd and his team of Incredible Dogs. The show was so well rehearsed and full of fun. Each dog had some time in the spotlight showing off their specific skills, moves and intelligence and each dog has won a space in our children's hearts. The saying, "dynamite comes in small packages" is so true – Lloyd's smallest stunt dog, a toy poodle called Dazzler, wowed the audience with her number of tricks! It is not often that our 'bush' children get up close to such amazing animals, specially trained search and rescue dogs. An added benefit, was Lloyd's valuable message about the treatment of dogs. Watching the children's faces and hearing their cheers was so special. Well done, Lloyd and team. You are so inspiring!

**Congratulations!**
