School for the Planet

Pre-school Meet & Greet

We welcomed many new and 'old' parents to our Pre-school's 'Meet and Greet' picnic recently. We are thankful to see how our school continues to grow, offering us the opportunity to build new relationships within our special SCS family. We all look forward to an awesome 2018!

Prep School Athletics

Our Southern Cross Prep School Athletes had a busy week of running, jumping and throwing; first at the circuit trials and then at the Drakensig Prestige Meeting. All of our athletes performed well and we had many top five finishes with a number of excellent 1st, 2nd and 3rd place achievements.

Congratulations to the entire team, but especially to Jorja, Maki, Duncan and Ryley who have qualified to attend cluster trials this week.

Congratulations!

Green Awards

The following Green Awards were presented at assembly on Friday, 2 February 2018:

Ricardo Viegas, Kate Tarentaal, Morgan Taylor, Stephan Moller, Tim Conyn, Kate Lownie, Gabriel Dickerson, Amber Gallop and Lance Fourie.

Sabi Sand - Water Games

SCS Sabi Sand – It gets very, very hot in the Sabi Sand 'Wildtuin', so often the only option is to find water and enjoy cooling down and playing in the mud! Our children don't need a second invitation!
