School for the Planet

Pre-school Dads Talk About Poo!

Dale Jackson and Brian Masters, both Dads of the Pre-school, gave our lucky children some interesting facts on wild animal poo. As we know, it comes in all shapes and sizes and as a result had our children enthralled! Dale and Brian even took the opportunity to join in our 'Family Time' dance moves

SCS Chess Tournament

On Saturday, 3 March a number of the Preparatory School learners participated in a chess tournament, hosted by Southern Cross. The competition was good and our players had fun testing their skills against players from other schools. In the Grade Five to Seven section of the competition, Martin Severin came out tops and was the overall winner, not losing a single game. Well done to all of the players who took part.

and song, much to the delight of our children. Thanks to both these gentlemen for making the time to chat to our youngsters, and most of all for being good sports!

Sabi Sand - Fun Learning

Blending learning and creativity: The Grade R & 1 class had great fun using play dough to create numbers, letters and words.

Grade Twos Take a Bus Trip

Why just talk about transport? In the Grade Two Class imaginations transport our children to places they can only dream of. Imaginary bus trips are a common occurrence!
