Grade 6 Build Egyptian Skiffs

The Grade 6 children's topic for this month is Egypt and for their technology project, they had to build an Egyptian Skiff (boat) using reeds instead of papyrus. To their amazement when they tested their boats, they all floated!!

Grade 3 Visit the HESC

Recently, the Grade 3 class visited Hoedspruit Endangered Species Centre on an outing and had a wonderful time learning so much. They even caught insects in a net! Earlier in the year, they collected and saved their tuck money and loose change to buy boxes of Pronuro for the baby rhino, Esme, which they handed over during this visit.

Sabi Sand - Fun Food

'Fun food' with a difference!

Aspiring Firefighters

The Pre-School and Grade 1's visited the Air Force Fire Department recently and the morning was filled with much fun and laughter. Thank you to Fire Chief Mr Moabi and his fabulous team for a wonderful day. We now have many aspiring firemen at SCS!!!

Congratulations! Green Awards

The following Green Awards were presented at assembly on Friday, 4 May 2018:

Kara Bradford, Charlie Scaife, Oliver Shoebottom, Hamzah Aboobaker, Benjamin Buyst, Ludwick Esterhuizen, Jake Scott, Aadil Aboobaker, Nsovo Sambo, Cameron Wood, Sveva Moore, Isabella Buyst .
