

## Cross Country

On Saturday Brian Mangena competed in the Limpopo Cross Country League and produced an outstanding time of 14:34 for 4km. Well Done Brian!

## Happy Birthday Mr Viegas

If your birthday falls on a weekend, you have to face the music on Monday. The whole school recently gathered to sing Happy Birthday to Mr Viegas who thought he was going to get away without any fuss being made of his special day.

## Chess

Our chess team travelled to Phalaborwa last week to participate in a tournament. They did themselves and SCS proud.

## Tzaneen Music Eisteddfod

The senior drummers are an awesome performing group and are regularly invited to play at school assemblies, formal school functions and even at events in and around Hoedspruit. At the Tzaneen Music Eisteddfod on Monday, the drummers achieved a remarkable 100%!!! The passion, gusto and zest displayed by the drummers is goose bump stuff! We are immensely proud of our group and their achievements.

## Cosmic Purple Carrots

The Grade 11 class spent some time in the nursery separating and replanting carrots. The cosmic purple carrots have an amazing purple colour and are great for expanding our learners food perceptions.

## College Biosphere Explorers

The Biosphere Explorers have been combating erosion on the dam wall and created 'stairs' in an area which has lots of foot traffic. The 'stairs' will come in very useful for all the students and slow the movement of water and sand down the steep bank of the wall.
