SCS Mini-Netball and Mini-Soccer Festival

Our mini-soccer boys were full of excitement as they arrived at Drakensig Airforce Base on Saturday morning for the Junior Soccer Festival. It was an enjoyable day for all with parents cheering from the side lines and the boys giving it their absolute all. Well done boys!

Our mini-netball girls have 'grit'! The U7, U8 and U9 girls amazed their parents in their first matches of the season with their understanding of the game as well as their throwing, catching and footwork skills. Well-thought passes, energetic defending and most importantly, teamwork was wonderful to see. Well done, girls! Your coaches are so proud of your development. We all look forward to more fun!

Pyjama Day at SCS Sabi Sand

Pyjama day was enjoyed by all on a cool winters day in the bush.

Our Porcupines do Maths

Our Porcupine class doing their thing.....matching, sorting and sequencing, all a part of their daily routine. One of the best things of being a teacher, is observing children engaging and learning from one other.
