Grade 4 Do Verbs

Learning verbs is best reinforced by 'doing'. The Grade 4 class took to the playground to 'do' things and link their doing to a verb... climb, swing, tumble, play, bang, balance was just part of the exercise.

Ink Blobs

The Art Club dropped blobs of ink on a sheet of paper and what happened ... amazing and creative autumn trees and tree monsters suddenly appeared!

Pre-school Serenaded

On 'Swop Over Day', an Earth Tot mother who is also a College teacher, serenaded the Pre-school.

Sabi Sand - Free Painting

Sabi Sand children had so much fun painting on Clingwrap whilst taking advantage of their beautiful outdoor facilities.

Grade 2 Thornybush Outing

Excitement filled the air as the Grade 2 class arrived at school bright and early in anticipation of their 'bush' outing. They had an amazing time pointing out and identifying the different mammals, birds, insects and reptiles on the game drive.
