## Biosphere Explorers' Outing to the Swadini Waterfall

The Swadini waterfall and surrounding forest provides such a stark contrast to our school environment that we never tire from visiting this beautiful place. Clean, cold mountain water and shady forest trees are always a highlight!

### We reduce food miles !

Our gardening doesn't begin in Spring and end in Autumn because we refuse to be missing the best part of the whole year. It is the work of a lifetime, we just never finish- WE REDUCE FOOD MILES.

### Grade 10 Visual Arts Project

The Grade 10 Visual Arts learners completed a colour mixing project earlier this term in the form of a puzzle. They each received a portion of a famous painting and had to copy it as closely as they could in terms of proportion and colour. Only at the end, did they put the pieces together to see how well they had done!
