School for the Planet

PJ's and Hot Chocolate

The Pre-school children are learning about seasons at the moment and because it's 'winter' in the Lowveld, they came to school in their winter PJ's and enjoyed a cup of hot chocolate.

Our Grade 1 Herd

The Grade 1 class are like little elephant calves and have bonded together this term to form a special little herd. They stick together in times of trouble, they gently encourage and guide one another, love to explore and learn, and of course, are always ready to play!

Our Grade 6s Learn to Fly

All children love throwing a paper aeroplane! The Grade 6 class incorporated maths and technology into having fun with these paper planes. They folded three different types of planes and collected data sets on how far they can fly. They worked out the mean, mode and median of their data sets and concluded the red team's plane was the most aerodynamic.

SCS Sabi Sand Have Movie Night

SCS Sabi Sand – Who says movies have to be watched inside? We love to do things differently, like having a movie night in the African bush under the beautiful stars.

Congratulations! Green Awards

The following Green Awards were presented at assembly on Friday, 31 August 2018:

Ethan Swiglaar, Vutivi Nkuna, Antoinette Kaufmann, Nikolas Kaufmann, Emily Wright, Moratiwa Inama, Danni Wall, Joshua de Beer, Ryley Gallop &, Eben Dumon.
