## Grandparents' Assembly Trashion Show

What a fabulous morning we had celebrating Grandparents! To all the Mums, Dad's and Gogo's who put such effort and creativity into your child's 'Trashion' costume – you really pulled out all the stops – Well Done!! Each and every child shone in this grand event. For some it was very daunting and we, as teachers, are super proud to be part of the character building and confidence life skills that lead our children onto greater things.

A special thank you was also received from the residents from Gracious Living for the lovely handmade blankets which our littlies donated to them on our special Grandparents Day.

## Mr V Visits SCS Sabi Sand

SCS Sabi Sand - We love it when Mr Viegas visits us at our special school.
